It's that time of year, and even weirder than last year with all sorts of supply chain issues and shipping issues and well...just issues in general. But it's also the time of year that we come together with gratitude and generosity to shower those we love. And that includes gift ideas for natural-minded mamas. Move aside macaroni necklaces (though we love those too) and check these out!

## [World Finds Cuff Bracelet](#)

We adore this cuff and it's made from recycled materials (discarded furniture scraps and pieces of material) so they are UBER eco-friendly. **WorldFinds** is endorsed by [Green America](#) so you can definitely feel good about buying anything from them. Fair Trade is key (and of course there is the impact of fair trade). Their jewelry and accessories create work for over 700 artisans in vulnerable communities in India. They're such thoughtful designs and their sustainable practices bring change to the lives of the artisans, provide a bright future for their children, and strengthen their communities. They're a { mostly } women-powered brand that began in 2001. They design all of our items in-house, and love to work collaboratively - In their offices in the states, as well as with our amazing artisans halfway around the world.
